

# Disburse Funds via

Did you know you can instantly disburse payments to your clients through ATH Móvil?  
This service is perfect for:

Insurance claims

Tip disbursements

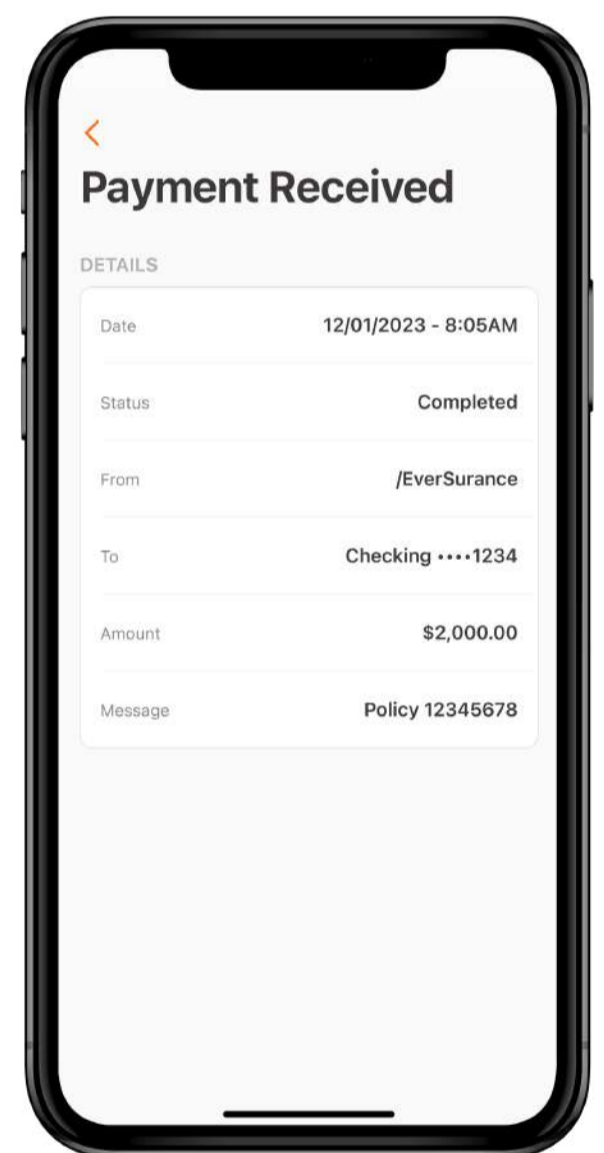

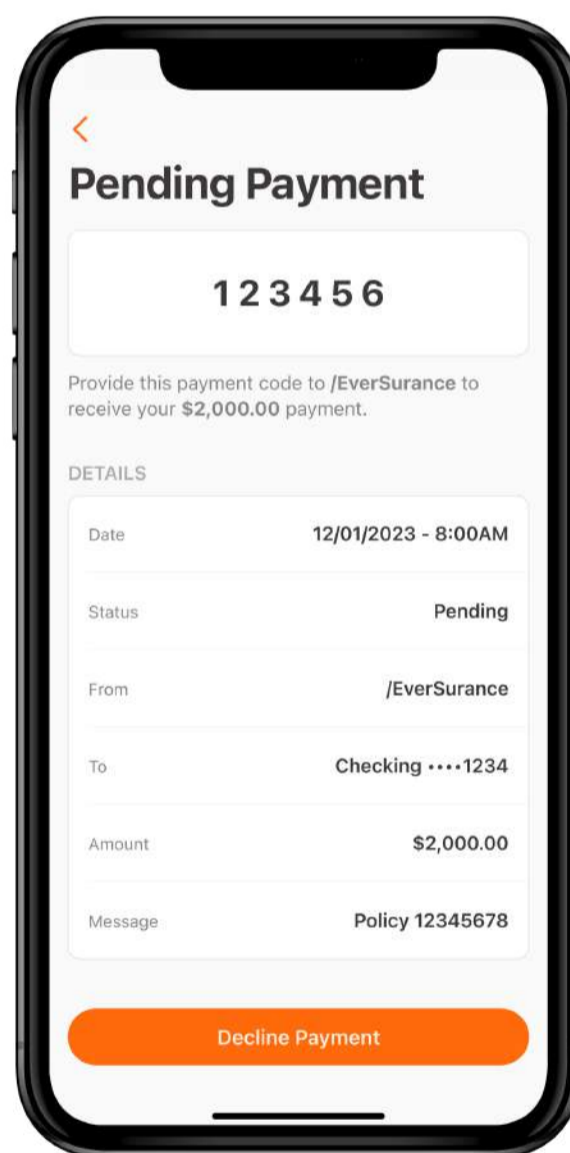

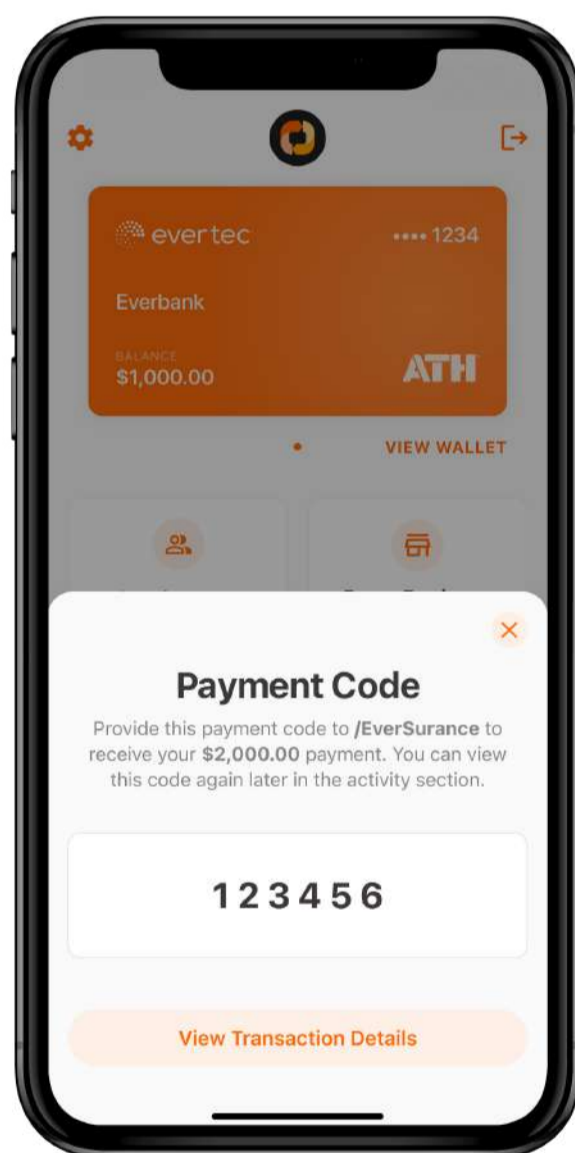

Cashbacks

And much more!

## How does it work?

As an ATH Business merchant, you will implement the APIs into your own system.

### Service benefits:

- Access to two API services that enable processing and authorizing disbursements for ATH Móvil users.
- ATH Móvil users receive disbursements in real-time in the bank account linked to their primary card, ready for immediate use.

Interested in integrating disbursements via ATH Móvil?
